STILL AHEAD

Challenge all Competition.

It is the Only Machine

OF ITS KIND EVER INVENTED! NONE can compare with it in construction as to du-rability. Consumes nothing for repairs. In beau-ty of design and finish it stands unrivalled. In point of elegance and practicability of work done it cannot be approached. There being no tension on the lower thread—the opposite being the case with every other Machine—the work will not be drawn. In fact, it is altogether superflows to multiply words at this late day as to the merits of the Wheeler & Wilson Machine. Its popularity is world wide and co-extensive with its use. None know or understand it but to praise in unmeasured terms. Tens of thousands are using them through the entire range of purpose and material for Family Sovies with consideration of the second seco
